FINANCIAL SUPPORT OF ST. REGIS CATHOLIC PARISH

The parish both needs and counts on consistent Sunday stewardship to meet its yearly budget and to carry out all the ministries that form St. Regis' parish mission. The parish is grateful for whatever you can contribute for ongoing support. We realize that giving abilities can differ greatly. Please prayerfully consider what would be a level of support that is both generous and responsible, given your financial situation.

ONLINE GIVING

Many parish members find that using the online giving option enables them to be more consistent in their financial support.

A. USING THE ST. REGIS ONLINE PORTAL

The parish's automatic electronic system is secure and convenient.

1. Go to stregis.org and click on donation tab. Click on "Church Donations/Mass Request." The "Church Donations" page will open with the form to make online donations.
2. On the Sunday Offering donation page, select the "Recurring" donation option and fill out the requested information and you are all set. In the gray shaded box on the right hand side, in red lettering, you will see listed other giving opportunities: special Archdiocesan collections, Christmas giving, Mass requests and more.
3. If you prefer not to use the internet, complete the enrollment form on the next page with your choices and payment information and return the form to the parish office for processing. You are also welcome to stop by the office at your convenience and we will be happy to walk through the process with you to enroll you in the automatic electronic gift system.

B. USING ONE'S OWN BANK FOR ONLINE GIVING

Some choose to set up their own giving through their bank's online opportunities. **RECEIVING ENVELOPES TO PLACE IN THE COLLECTION BASKET** For those not enrolled in online giving, we will send you a new packet of envelopes every two months to use for your support of the parish.
